EDUCATION

Bachelor of Science in Industrial and Systems Engineering
The University of Texas at El Paso (UTEP)

Anticipated: 12/2027
Overall GPA: 3.48/4.00
Major GPA: 4.00/4.00

Honors & Affiliations

Distinguished Innovator Award by Mike Loya Center for Innovation and Commerce
Entrepreneurial Mindset Microcredential
IBM Introduction to Artificial Intelligence
Excel Essential Training | Macros in Depth Access | Essential Training Certifications

SKILLS

- Data Analysis
- Microsoft Office Suite
- Public Speaking & Technical Presentations
- Bilingual: English and Spanish
- Leadership

EXPERIENCE

Undergraduate Assistant | UTEP Department Industrial, Manufacturing & Systems Engineering 02/ 2026 – Present

- Increased awareness of Industrial and Systems Engineering programs among prospective students by delivering engineering presentations and demonstrations at recruitment events and K-12 outreach activities.
- Strengthened department recruitment efforts by serving as a primary point of contact for students and families interested in engineering programs.
- Enhanced learning experiences for prospective students by demonstrating automation and manufacturing technologies through interactive robotics systems.

Sales and Marketing Intern | DropDev | El Paso, TX 05/ 2025 – 08/ 2025

- Generated new client interest as measured by increased sales opportunities by presenting AI-powered web solutions to potential customers.
- Improved brand visibility and lead generation by developing marketing strategies and identifying target market opportunities.
- Increased sales effectiveness as measured by improved client engagement by researching customer needs and refining sales presentations.

Consulting Services Intern | SEI Stackpole Electronics | El Paso, TX 06/ 2024 – 08/ 2024

- Improved warehouse organization and operational efficiency by designing updated storage layouts and signage for inventory locations.
- Supported data-driven decision making by analyzing sales performance reports and presenting insights to management.
- Increased operational accessibility as measured by improved communication with Spanish-speaking employees by translating technical procedures and operational documents.

LEADERSHIP & VOLUNTEER EXPERIENCE

Fundraising Director | Harmony Miners 01/ 2026 – Present

- Increased fundraising opportunities for student development programs by organizing events and partnerships with local businesses.
- Supported first-generation student success as measured by expanded access to professional certificates and events by coordinating fundraising and outreach initiatives.

Volunteer & Outstanding Member | Institute of Industrial and Systems Engineers (IISE) 10/ 2025 – Present

- Promoted engineering education and career pathways by volunteering at recruitment events for prospective students and families.
- Recognized as Outstanding Member for active participation and contributions to chapter initiatives and student outreach.
- Encouraged STEM engagement among younger students by serving as judge for LEGO Robotics Competition and providing constructive feedback on engineering projects.
